

HOW TO

ROLL UP SWAP ECO

STEP | 1

Open the banner stand's base cartridge.
And press the button on the right side to release the cartridge.

STEP | 2

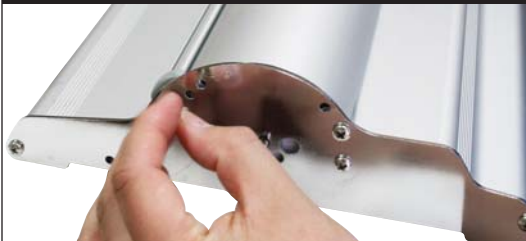

Align the bottom of the banner to the cartridge
and connect the banner to it by clamping it.

STEP | 3

Slide the banner graphic into the top profile bar.
Push down the top profile once top of the banner is
perfectly aligned with top profile.
Then close the top profile with end cap.

STEP | 4

Hold the banner from the base and release the safety pin.
Gently release the graphic and let it roll into the banner
stand base frame.

STEP | 5

Close the banner stand's end cap.
And screw the both sides' end cap and completely close
the base.
