HOW TO

ROLL UP NUBI

STEP 1

Align the banner bottom to the banner stand base with the plastic sheet extension. Locate the double-sided adhesive tape in the back of the plastic sheet extension.

STEP 2

Peel off the protective cover. Attach the plastic sheet extension to the bottom bleed of the banner. Make sure the banner is in perfect alignment with the leader.

STEP 3

Apply an adhesive tape to the front and back of banner connecting point as shown below for reinforcement. This will prevent the banner from losing adhesion from and the plastic extension piece.

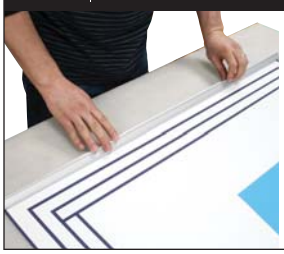
STEP 5

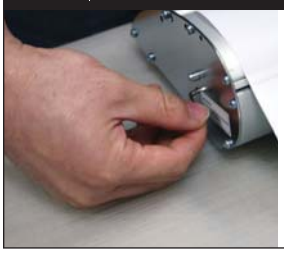


Slide the banner graphic into the top profile bar.
Hold the banner stand and graphic firmly then pull out the lock pin to release the retractable rolling mechanism.

STEP 6

Align the banner bottom to the banner stand base with the plastic sheet extension. Locate the double-sided adhesive tape in the back of the plastic sheet extension.

STEP 7



Hold the plastic sheet extension and gently release the graphic and let it roll into the banner stand base frame.
